**R-OH\***

R is the root or the radical element of the wine –its radical personality–, OH is both an expression of admiration and also the symbol for alcohol used by scientists. It is so to speak the spirit of the wine. So R-OH = Rad Spirit.

EARTHY & ELEGANT

#### GROWERS

The R.O.Q Corporation [Republic of Quibia] was launched by winemakers on the island of Mallorca who decided they wanted to make great wines from old bush vines that captured their heart in continental Spain. This is their first project.

#### LAND

Vineyards are in Cornudella de Monstand - the highest and coolest subregion of Montsant. is a tiny vineyard (less than one acre) on a steep hillside. The soil is covered with red clay strewn with licorella (slate) and codolls (round river stones).

#### FARMING

Grapes are hand harvested in early September from dry-farmed bush vines more than 60 years old.. than strictly sorted for this hands on wine.

#### WINE

60% Garnacha 40% Mazuela (Carignan)  
Fermented in concrete vats and aged 4 months in 2 year American oak. Powerful, fruity and complex nose. Persisting notes with lactic and mineral notes, typical from the soil where the grapes are grown. Total Bottles Produced: 12,000.

#### FOOD

Beef, lamb, pork, sausage, porcini mushrooms
