GROWERS

The Sumarroca family has the largest single vineyard in the Penedes, situated on three estates, each providing specific soil and exposure. Beginning in the 80's the family began acquiring vineyards to supply their estate grown selections

LAND

Sourced from three Estates - Moli Caloma (Subirats) 36ha; Heretat Sabartes (Baix Penedes) 25ha; Sumarroca (Alt Penedes) 403.8ha, The Sumarroca has carefully selected their vineyard locations to reflect the best soil and exposures of the Penedes

FARMING

Sustainably farmed, with each vineyard dedicated to the varieties best suited to the site. Harvested in late August.

WINE

The traditional blend or Parrellada, Macabeu and Xarel-lo is enhanced with Chardonnay to add delicacy. 100% Estate grown, hand harvested fruit. 100% Free run juice (mosto flor). Aged 2 ½ years on the lees before disgorging. This is a truly elegant sparkler that will rival the best Europe has to offer.
